

**CALL FOR INCOMING MOBILITY STAFF OF UNIVERSITAS NEGERI
YOGYAKARTA IN UNIVERSIDAD DE SEVILLA (SPAIN) WITHIN THE
FRAMEWORK OF THE ERASMUS+ PROGRAM, FOR THE ACADEMIC YEAR
2022-2023.**

1. OBJECTIVE

Under 2020-1-ES01-KA107-081086 project, the Erasmus+ Mobility Programme for training offers Universitas Negeri Yogyakarta (UNY), as the partner university, staff the opportunity to undertake a teaching visit to the Universidad de Sevilla (henceforth the US) during the second semester of the 2020-2021 academic year.

Teachers taking part in this mobility programme will be given financial support, will be able to meet US staff in order to discuss subjects of inter-university collaboration exchange opinions and will be able to use US facilities at no extra cost. All of the teaching activities that are agreed on in the Training Agreement and which are performed satisfactorily will be recognised by the Home University.

The Erasmus+ Programme promotes the exchange of experiences with regard to teaching methods and it will enable students who have been unable to participate in Erasmus mobilities to benefit from the knowledge of staff from foreign Institutions of Higher Education. The Programme, moreover, offers staff the chance of widening their cultural outlook by travelling abroad, to know other Higher Education systems and to establish contacts with colleagues from other countries, thus contributing to international integration.

The Erasmus+ Mobility Programme for training does not cover all of the beneficiary's extra expenses while s/he is abroad.

2. LENGTH OF STAY

As indicated in the Erasmus+ Programme Guide, the length of stay in the associate countries is 5 days, more 2 days for travel.

3. FINANCING

The grant includes:

The amount involved depends on the destination country and the number of actual days stayed in the Destination University, including the days spent travelling. The contribution for those coming to Spain is **€160 per diem**. The time that can be financed is 5 days' stay + 2 days of travel (1 day outward, 1 day return), giving a maximum grant of €1,120.

- There is an additional contribution to cover travelling costs (*travel support*). This is calculated according to the table of distances below, as established by the Erasmus+ Programme:

Distance	Amount
Between 10 and 99 km	€20
Between 100 and 499 km	€180
Between 500 and 1999 km	€275
